A big welcome to the red and whites from Brislington. The boys from Bristol beat us twice last year, we finished above them by 10 points in the league- going to show the competitive of the league which I know will continue this year!

A month ago I was at Glastonbury festival listening to the likes of Pulp and Supergrass...it's like 1995 all over again! Oasis released their follow up album 95, 30 years on the Gallagher brothers are back and their music still as loved as it was 30 years on.

1995 was a very good year for us as a club and in 1994/95 we were promoted to division 1 of the Somerset senior league and in 1995/96 promoted again as runners up the Somerset Senior Premier division. Some Might Say, it would be lovely for some glory this year...

Lots has been going on over the past few months. This pre season has flown by; but it's been great to us playing well- we suffered a heavy defeat last Saturday at home but apart from that we only conceded 1 goal and that was a penalty. The majority of the lads have stayed from last year with some very good additions coming to BA16.

Craig Laird, father of Scott and Callum is now part of the management team. We have a new number 1 in Liam Kingston (on the cover today) and some eye catching signings; Finn King Smith in the middle of the park and Charlie Bateson who shone up the road at Shepton mallet.

Games come thick and fast now, including our FA Cup game next week vs Brixham then another few games here at The Tannery in August.

Briggys and I are still putting out a printed match programme for home games, this is now my 3rd season doing it and learning all the time. I'm heavily inspired by other non league clubs in and the creativity of the editors. Check out 'Non- League football clubs issuing programmes' page on Facebook to keep the matchday programme scene alive!

Enjoy the game today, stay for a drink or a few after the game and safe journeys home- next game away to Bridgwater Tuesday night.

And finally, best of luck to the England Womens team in the Euro's final vs Spain!

MY BIG MOUTH

Words by
Antony Randle

Don't you just love the start of a new season, especially when the first game's at home? All that hope and expectation you've been nursing over the summer finally coming alive, whatever triumphs or disasters you witnessed last season forgotten the minute the ref blows his whistle for kickoff this afternoon.

This is what matters now, not what happened then. You look to see which players have signed on again, who's new, maybe some familiar faces returning or perhaps lining up for the opposition. Either way it's a clean slate, everything to play for, anything possible.

Ok, having already played a number of friendlies we have some idea of the shape/composition of this season's side but it will take a few games for things to settle, for the players to find their feet and their places. Early-season performances and results tend to be on the unpredictable side where of course in the last campaign we set off at a gallop going unbeaten in our first ten League fixtures, the only blots in this amazing sequence being the two Cup defeats, both by the same 0-1 scoreline away to Exmouth in the FA Cup and home to Elburton Villa in the FA Vase.

This season's FA Cup draw hasn't exactly been kind in pairing us with Brixham, formerly of the Western League but newly-promoted to the Southern League after unexpectedly emerging victorious in last season's playoffs. We do however have home advantage where we owe them one for the 3-1 away defeat in the League last season when until the two sendings-off we were outplaying

them and looked the more likely winners. We shouldn't fear them.

Indeed if I have one hope about Season 25/26 it's for a decent run in either the FA Cup or Vase (or both....) In getting to the semis of The Les Phillips Cup last season we had an all-too-rare taste of progression beyond the first round of a cup competition.

Of course I also want us to do well in the League where after that great start last season things became a bit more uneven, inconsistency creeping in which was understandable; I'd felt in that early run that we were punching a bit above our weight and that eventually caught up with the team in being unable to sustain a position at the top of the table. To their credit a place in the playoffs remained a possibility until the last couple of games and I'm sure Watto and the players will use that experience to good effect this time around.

So here we go again; I'm sure the Section 80 Ultras will have been brushing up on their chants and drumming skills over the summer so as to bring their rousing energy to the Tannery today. Let's hope there's a big crowd and we get this season off to a flying start.

MEET TODAY'S OPPONENTS

Brislington FC

CLUB HISTORY

Brislington FC was reborn in 1956 with an U16 side in the Bristol Church of England League, managed by former player Bill Parsons. Early success followed with consecutive Somerset Intermediate Cup wins and a Junior Cup triumph by 1964.

Progress continued through the 1960s and '70s. The club reached the Somerset Senior Cup Final in 1966-67, then joined the Somerset Senior League, winning the League Cup in 1976-77 and finishing Premier Division runners-up in 1979-80.

The 1980s brought steady ascent. A second-place league finish in 1984-85 paved the way for a league and cup double in 1988-89, earning promotion to the Western League. That year, the Reserves and A Team also stepped into senior football.

A golden spell came in the 1990s. In 1994-95, Brislington won the Western League First Division by 11 points and lifted the Senior Cup. Promotion followed, along with ground upgrades. The club finished 3rd in the top tier by the end of the decade.

The 2000s combined progress with change. Brislington were Premier Division runners-up and Les Phillips Cup finalists in 2002-03. Despite managerial turnover, stability was maintained, and the club marked its 50th anniversary in 2007-08 with a heritage kit.

Between 2010 and 2014, Brislington expanded—launching a Ladies Team and deepening ties with Brislington Juniors. In 2012-13, the First Team finished league runners-up but couldn't go up due to ground criteria. That year also saw the passing of Chairman Fred Hardwell. The Ladies won a treble and gained promotion, while the men's side enjoyed a memorable FA Cup run.

From 2015 to 2021, the club faced tougher times. The pandemic forced the Ladies and Reserves to fold, and by 2022 Brislington voluntarily dropped into Division One to cut costs.

The response was emphatic. In 2022-23, the First Team scored 130 goals en route to the title. Promotion followed due to league restructuring. In 2023-24, they won the play-offs, reached a Senior Cup semi-final, and saw success across the club: the Reserves reached a final, and the U18s won their league, with several players stepping up to senior level.

The 2024-25 season saw the departure of long-serving manager Lee Perks. The First Team earned a solid mid-table Premier finish, while the Reserves adjusted to a tougher league. The U18s impressed again—winning the League Cup, reaching the County Cup semi-final, and feeding talent into the First Team for the 2025-26 campaign.

WORDS OF Watto

Welcome back to the tannery all our loyal supporters and new, we hope you are excited as we are to get the season underway today.

A warm and friendly welcome to our opponents Brislington who i know will be a real test for us today.

This season we welcome players back and new recruits. In sure you join me in wishing them every success and will sing and cheer them on home and away, in our cobbler army way.

The squad have been working hard across pre season and are ready to showcase to everyone our team spirit, tireless effort and commitment to the club.

These are the foundations we expect and we know we have the quality to compete on all levels.

Let's start as we mean to go on and go and get the 3 points at stake. I hope you enjoy the game and let's get behind the team!

Up the cobblers!

Watto

Captains LOG

It's been a great preseason with all the boys, its been a hard test with plenty of hard yards been put in. The Gaffer has also added some great quality which will kick us on into the season.

Saturday's test against Portland was definitely a game for reflection. It's a test we've needed and shown where there's areas of our game where we need to improve. Its never a moment to get down but a moment of reflection. I'm always one to look back and see how I/the team can improve.

Sometimes It takes a result like Saturday's to put perspective of where we are. A great test overall and to win 4 and lose 1 ill take that all day long.

I'm absolutely buzzing to go again for the new season. Its soon crept upon us but were all ready for another tough season. The western league is a relentless league and we will have to be at it every single game. We've got a great squad that on its day can achieve the greatest things. Its just that consistency over the whole season which I'm sure we can achieve this year. We cannot wait to play in front of all the supporters and make this season, a season to remember.

He's been to Munich and more recently Wimbledon, I caught up with defender Archie Heywood who has been to some major sporting events this summer

GAME, WITH ARCHIE HEYWOOD SET, Match

Archie, thank you for the programme, have you kept one for yourself too?

No problem at all! I know how much you enjoy a programme, so I had to grab one for you to add to the collection. I did keep one for myself too - it's made for a good nighttime read!

Talk us through Munich - what was it like?

Wow, where do I start! I didn't get to see much of Munich as a city, but from a football perspective, it was unbelievable.

The whole place had a real buzz in the build-up to the final - UCL branding was everywhere you looked.

We went out for drinks the night before the final to a local bar in central Munich. It was packed with Inter Milan fans, all chanting and creating a brilliant atmosphere. Proper football fans - a special experience!

How was the game? Some stars on show!

Incredible. Let me tell you a quick story about how I actually got my ticket - it wasn't guaranteed at all.

I was out there working with PlayStation, and while they had a fair number of tickets, there was no guarantee we would get one. Throughout the day, rumours started to spread that there might be a few spares, so we just kept our fingers crossed.

Fast forward to 30 minutes before kick-off - I get a notification on my phone: "PlayStation have sent you a ticket - click here to view." Off I went, sprinted to my seat, and watched a PSG masterclass!

The game itself was very one-sided but still amazing to watch. PSG were just so much sharper and quicker - Inter never really got going. The standout for me was Vitinha. He's a genius. Such a clever, technical footballer.

What's your next big game?

Well, it could be the biggest of them all! I'm hoping to head out to the World Cup in the USA next year to follow England. Nothing's guaranteed yet - there's still a lot of planning to do - but I'm a member of the England Supporters Travel Club, so I'm hopeful I'll be able to get a ticket.

COBB

FOUNDED IN 1880, STREET F.C. IS ONE OF THE OLDEST ASSOCIATION FOOTBALL CLUBS IN SOMERSET.

Street FC were given the nickname 'The Cobblers' due to the large shoemaking industry in the village and surrounding area.

-LERS

Above
The moustache
laden Street team

The Club won the Somerset Senior League 5 times and the Somerset FA Senior Cup 3 times before making its first foray into the Western League a few seasons before the onset of World War One. The Club also had its best FA Cup runs reaching the First Round Proper twice, once either side of World War Two; in 1938 away to Ipswich Town and 1947 at Cheltenham Town - after beating Yeovil Town 2-1 in front of a record 5,000 crowd at The Victoria Field in the previous round.

The closest the Club came to winning the Western League Championship during the 20th century was in season 1952-53 when they were pipped to the title by Barnstaple Town, who had a 0.01 better goal average after the sides had finished level on 44 points each. Season 1996-97 saw the Club win the Somerset Senior League for a record eighth time, thus gaining promotion back to the Western League after a 37-year absence.

Ten years later, after gaining promotion to the Premier Division in season 2005-06, the Club had its best run in The FA Vase when reaching the Fifth Round Proper before losing at Wimborne Town. After finishing as Premier Division Runners-up the previous season, the 2017-18 campaign was the Club's 50th in the Western League, and was a momentous one too!

Early results were inconsistent: but starting on 12th September, manager Richard Fey's charges completed a

sensational run of 26 consecutive league victories that eventually saw the team win the title by 15 points (falling just one point short of the century) after winning 32 of their 38 games and scoring 100 goals, thus earning a place in the Southern Football League for the first time in the Club's 138-year history.

However, 2018-19 was to be the only season at the higher level for the Club as it soon became clear that Southern League football was a 'step too far': and despite a respectable seventh-place finish, the decision was taken to protect the long-term future of the Club and return to the Toolstation Western League.

In 2023/24 the Victoria Sports first joined the club to make up the reserves team squad. They did well finishing in 5th, and this season James Carey has been appointed Manager to try and get the team back to Division 1 of the county league after achieving this feat with local county league side Ashcott.

The 2024/25 season saw an 8th place finish for the club ;5 points off the playoffs, and a semi final of the league cup .Lots of success for the youth team including a new girls team and our women's team finish the season really strongly.

The 2025/26 season looks very promising with some exciting new additions and majority of last seasons first team squad remaining in green and white.
