THERE IS A LIGHT THAT *Never* GOES OUT

And now the end is near and so I face the final curtain-Good Friday afternoon to you all, we have arrived at the last home game of the 2025/26 season and a warm welcome especially to our visitors from Paulton Rovers.

Words by
John Grundy
@cranhillultras

Design by
Briggsy

There Is A Light That Never Goes Out a song by The Smiths; for my last programme it had to be one of their songs, and when people ask me if I'll do another programme I'll give them this as an answer.

Our opponents today, who are having a stellar season having only lost 4 so far all season. Coming off of a very impressive 5-3 win at playoffs hopefuls Buckland Athletic. The 4 teams that will make up the playoffs this season will all be strong- but will it include Clevedon or Torpoint? Both

teams taking it to the wire but will the latters game in hand on the league leaders be the difference?

I want to take this opportunity to thank some key people that have supported us having a printed programme over the last few years since Roger stepped away from the editor role. In no particular order; I want to thank the committee and also Jo Stimpson are Chair for letting me have license and having something accessible not only in print but on our website too.

Above: Briggsy and Grundy proudly displaying their work

I want to thank Ian, Merv, Joe for all being loyal programme buyers and also key sales people in selling our product. Thanks to Russel Newcombe for his articles and always getting a programme. Big thank you to Keith for all squad updates and a big thank you to Anthony for his column and also helping with programme sales and change!

I also need to thank the designers who have helped me put it all together; it's been Chris Briggs aka Briggsy who's taken things to a new level with the '1880' programme last year and this years effort 'Word On The Street'. We are going out on a high and I am so grateful for his hours spent putting the finished copy that you have in your hands and have had over the past two seasons.

A shout out too, to Em-Print who who printed our programme this year, and helped to realise the quality we wanted to achieve.

I also want to thank all the groundhoppers and Street FC supporters who have got a programme from me over the years; I look forward to coming for many games next year. Supporting your local football club is both very important and very special, it's a great club with some really good people here.

This season has been a rollercoaster for sure and we catch up with Chair Jo Stimpson about her thoughts on all things Street. For me some positives are our young players making such a big impact on the pitch; Finn King Smith and Preston Hopward being two players we hope to continue to see next year.

We have a few away games to go after today including Shepton Mallet away for our last match of the season, which I'm sure will mean a lot of green and white supporters in the crowd.

Have a good rest of the weekend, have a good rest of spring and summer and we will hope to see you back at The Tannery at the end of July.

Up The Cobblers

A WORD FROM OUR *Chair*

Words by
Jo Stimpson

**How are we here already... the last home game of the season?!
They say time flies when you're having fun — and it really has!**

It's been a season with a few unexpected twists early on, but I couldn't be prouder of the squad that Scott & Craig have brought together. The culture, commitment, and energy from every single player truly reflects everything this club stands for.

There's been some brilliant work happening right across the whole club - from the reserves to the U18s and youth setup - all focused on creating opportunities, setting standards, and building a clear pathway for local players. Playing for Street is all about development, pride, and being part of something really special.

A huge thank you, as always, to our incredible volunteers working tirelessly behind the scenes. Your time, energy, and passion are what keep this club moving - we simply couldn't do it without you.

And of course, to Candice and her amazing team in the clubhouse - thank you for creating such a warm, welcoming environment for everyone, from our loyal fans to the wider community.

Better never stops... there's still plenty to do, but we're building something really incredible together.

Here's to 26/27... Up the Cobbs

MY BIG MOUTH

Words by
Antony Randle

In August 2019, at the invitation of then-editor Roger Palmer, I wrote my first column for the Street FC matchday programme under the heading 'Full Circle' to symbolise my return to being a grassroots football spectator having started as a pre-teen watching my hometown club Letchworth FC before moving to London and undergoing/enduring over forty years of attendance down the East End as a committed supporter of West Ham United.

When Roger switched off his printer for the final time at the end of the 22/23 season I was delighted to be asked by his successor John Grundy to carry on inflicting my thoughts and opinions on The Cobblers' loyal programme-buyers. With John (and his co-producer Briggsy) now understandably finding the regular production of a programme a commitment too far this could well be the last opportunity for me to give written expression to my take on all things football so here we go.

As a confirmed old fogey there are lots of things about the modern game of football I don't like compared to how it was 'back in the day.' The Premier League, for starters. A concept devised purely and simply as a money-making exercise on a grand scale rather than as an enhancement of the old First Division (as was disingenuously claimed at the time of its inception) which has inevitably seen the competition dominated by a select few clubs whose wealth far outstrips the majority.

The behaviour of the players for another, all the ref-mobbing, the going-down and face-clutching at the tiniest of contacts, the tiresome grappling at set-pieces, the sneaky shirt-pulls to prevent breakaways, I could go on for pages. Then there's the dull uniformity of the tactics since Guardiola cast his baleful spell on the English game, the grindingly slow sideways and backwards passing in pursuit of 'possession,' the lunacy of the

'playing it out from the back' dogma and now the regressive primacy placed on corners and long throw-ins courtesy of his disciple Arteta.

To a mercifully lesser extent most of these evils (as I see them) are replicated at grassroots level but somehow they seem less aggravating to me when set against the spirit which underpins the functioning of clubs like ours.

I have never failed to be both impressed and moved by the effort and dedication displayed by everyone who has given their time and energy over this period to the existence of Street FC, no matter how small or brief their engagement.

I realised that when I used to go and watch West Ham I only ever really thought about the manager and players, never all the other people whose input was equally vital to the day-to-day running of the club; since becoming involved myself at The Tannery I have come to appreciate just how important those 'others' are so it's to all of them – and those who regularly turn up to watch – that I dedicate what might be my final column with huge thanks for helping to make this club what it is.

MEET TODAY'S OPPONENTS

Paulton Rovers

Paulton Rovers was formed in 1890 by the village's vicar and a local businessman. The club joined the Western League in 1900 with their best position being runners up in the 2003/4 season, when they secured promotion to the Southern League. The club has won the Somerset Senior Cup on twelve occasions, and the Somerset Senior League seven times. The club last won the Somerset Senior Cup in 1974, when they were re-admitted to the Western League after an absence of fourteen years.

The club's record attendance of 2,070 came on 7 November 2009, when they reached the FA Cup First Round for the first time against Norwich City, broadcast live on ITV1 to over 30 countries. Previously, over 2,000 attended their FA Cup tie with Crewe Alexandra in 1906.

After playing at several village venues, Rovers moved to Winterfield Road in 1954. Developments followed, including a clubhouse (1967), pitch rotation, and expansion into a key community venue. Further upgrades came in 1972 and again after promotion in 2004, including new stands, covered terracing, and training facilities.

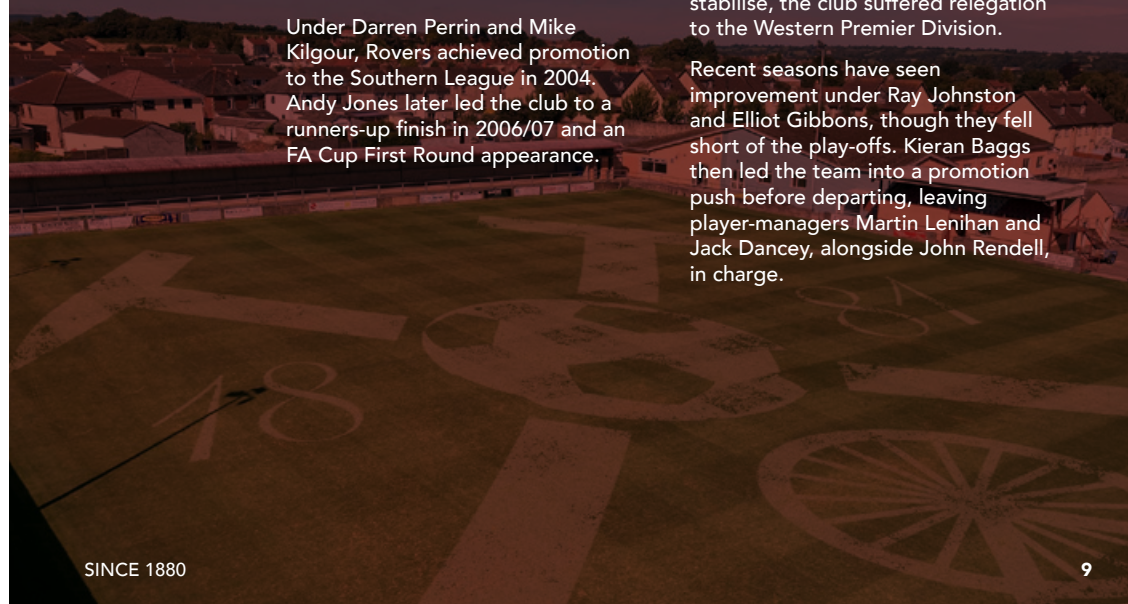

Under Darren Perrin and Mike Kilgour, Rovers achieved promotion to the Southern League in 2004. Andy Jones later led the club to a runners-up finish in 2006/07 and an FA Cup First Round appearance.

Managerial changes followed, with Mark Harrington and Nick Bunyard taking charge, alongside long-serving assistant Paul Milsom. The club also secured the Somerset Premier Cup with a 3–1 win over Bridgwater Town.

In 2013/14, Rovers won promotion to Step 3 after a dramatic play-off campaign, defeating Merthyr Town in front of 2,201 fans. They finished 10th the following season before managerial changes led to relegation back to Division One South & West.

Subsequent years saw multiple management changes, including John Rendell, Craig Loxton, John Durban, and Kyle Tooze. Despite efforts to stabilise, the club suffered relegation to the Western Premier Division.

Recent seasons have seen improvement under Ray Johnston and Elliot Gibbons, though they fell short of the play-offs. Kieran Baggs then led the team into a promotion push before departing, leaving player-managers Martin Lenihan and Jack Dancey, alongside John Rendell, in charge.

17.03.26 / JEWSON WESTERN PREMIER LEAGUE / CLEVEDON TOWN / THE TANNERY

*Goals*

PRESTON
HOPWOOD
SCOTT
LAIRD

Report by
Antony Randle

Coming off a five-match unbeaten run The Cobblers had every reason to feel confident about facing consecutive home fixtures against the top two teams in the division and it showed in the opening exchanges of this contest as for the opening half-hour the two teams cancelled each other out, neither carving out any real openings with most of the action taking pace in the middle of the pitch.

Then Callum Laird allowed the ball to run off his foot, the Clevedon striker was in on goal and he made no mistake, lashing the ball past Liam Kingston. When Finn King-Smith got caught in possession in his own half a couple of minutes after the break leading to the visitors' second it was hard to see a way back for Street but their heads didn't go down and they gradually increased their pressure on the Clevedon goal.

Their reward came on 69 minutes when Preston Hopwood swung in a deep cross from far out on the left and Callum Laird rose to head the ball back across the box to his unmarked brother Scott who headed it past the keeper. Six minutes later Hopwood fastened on a headed clearance and from fully thirty yards out unleashed a rocket of a shot that left the Clevedon keeper flailing at thin air as it flashed past him into the top corner of his net.

With a Clevedon defender shortly afterwards being given his marching orders for a crude foul Street sensed an opportunity to seize victory and they nearly achieved that end in the last minute when Scott Laird's fierce left-foot drive beat the keeper but hit the top of the bar, Clevedon counting themselves fortunate to leave The Tannery with a point.

21.03.26 / JEWSON WESTERN PREMIER LEAGUE / TORPOINT AFC / THE TANNERY

*Goals*

CHRIS
BARRETT

Report by
Antony Randle

After coming within a crossbar's width of beating Torpoint's title-chasing rivals Clevedon four days previously, The Cobblers lined up for this fixture expecting a similarly close encounter and so it proved with only misfortune denying them even a share of the points against opponents whose style might best be described as 'agricultural'.

In contrast to the game v Clevedon which had seen both teams seeking to pass their way through the respective defences, the ball in this one seemed to spend most of its time sailing through the air as the Torpoint players repeatedly launched it skywards whilst constantly loudly appealing to the officials for all sorts of imaginary 'offences.' A game for the purists this certainly wasn't.

It was Street who broke the deadlock just after the break with Chris Barrett scoring a tap-in and at that point they seemed the most likely victors but they were pegged back on 68 minutes when the referee mystifyingly ignored their claims for the deliberate handball by a Torpoint player in scoring their equaliser from a corner.

With Street having had the better chances hopes of restoring the lead grew but an injury to keeper Liam Kingston shortly afterwards was to prove fatal; although able to continue his movement was clearly hampered and this prevented him from getting down to save a tame shot in the 90th minute. When the ball rebounded from the post Callum Laird somehow diverted the follow-up on to the bar only for the ball to fall kindly to another Torpoint player to smash it home leaving The Cobblers entitled to feel hard-done-by at coming away with nothing against the side most likely to top the table at the end of the season.

28.03.26 / JEWSON WESTERN PREMIER LEAGUE / ST BLAZEY / THE TANNERY

Report by
Antony Randle

Sometimes a scoreline can be misleading. A game can finish 0-0 but be packed with goalmouth incident, near-misses, great saves, woodwork being hit, goals disallowed, the ball doing everything but end up in either or both of the teams' nets.

Sadly on this relentlessly blustery afternoon the long-suffering spectators at The Tannery didn't witness one of those games; this was a thoroughly drab affair from start to finish and although on the charitable side one could point to the windy conditions for the lack of constructive play on both sides, the truth is that this was just one of those games when nothing worked, when passes were constantly misplaced or overhit and control of the ball seemed as difficult as holding a slippery eel.

With regular Street keeper Liam Kingston sidelined through injury his stand-in Jack Arthur was a virtual bystander as the visitors seemed more content to soak up the home side's pressure rather than create any themselves, their own keeper called upon for not much more than comfortably fielding repeated hopeful crosses and aimless long forward punts.

The game featured only two shots on target, both by Street, a free-kick by Scott Laird in the first half that was touched on to the bar being the closest either side came to scoring. The introduction of subs Finn King-Smith and Theo Worth early in the second half offered hope of a breakthrough but the visitors' stubborn defending ensured that the game petered out to its unsatisfactory conclusion.

31.03.26 / JEWSON WESTERN PREMIER LEAGUE / IVYBRIDGE TOWN / THE TANNERY

Report by
Antony Randle

Following on from Saturday's disappointing goalless draw with St Blazey The Cobblers were looking to recapture the form that had beaten Barnstaple and run both Clevedon and Torpoint close but after an encouraging start in which they spurned a couple of chances to snatch an early lead they once again found the going tough against a well-organised disciplined defence and struggled to create any further openings in an increasingly attritional first half.

It accordingly almost came as no surprise when the visitors broke away in the 44 th minute to score a well-taken goal with their first shot of the game, something accurately described by one of their committee members as 'a smash and grab.'

It was much the same story in the second half, Ivybridge sitting in and inviting Street on whilst looking to counter on the break and whilst as a result the ball spent most of the period in the visitor's half it was hard to see Street scoring, their play becoming more and more rushed as the clock ticked down.

Chris Barrett had their best chance from David Slade's cross but he put his header over the bar and some determined blocks from the Ivybridge defenders ensured that a couple of dangerous-looking efforts didn't trouble their keeper. It was one-way traffic for the last ten minutes but Street simply couldn't find a way through and were grateful to keeper Jack Arthur for a late save to keep the score at 0-1.

Captains LOG

After our recent run of results and not taking maximum points, it looks as though a playoff spot is now out of our reach. That said, there's no excuse for us to drop our standards or take our foot off the gas as we approach the end of the season.

As a group, we remain fully motivated. Our focus now is clear, to finish higher than we did last season and to improve our points-per-game return. Those standards we've set ourselves won't change.

We now face a tough test today against a very strong Paulton side, who were clinical when we met them earlier in the season. However, based on the performances we've been putting in, there's a real belief within the squad that we can get a positive result.

Finally, on behalf of the team, I'd like to thank you all for your incredible support throughout the season. It truly hasn't gone unnoticed. Enjoy the break, and we look forward to seeing you all again next season.

Scott SPEAKS

Our Last Home Game!!!

How that has come round so quickly again is beyond me. What a great game to finish it with. Paulton flying high and secured a play off spot last week and will still have their eye on a title push this last few games.

We will as ever be out to keep the league honest and do our job like we have against all the top teams and show them we are now a force to be reckoned with and building a team and way of playing that will lead us into next season. The lads have been tremendous this past few months and put a great run together.

To finish I want to say thank you from all of us staff and players to you the fans and the people that work for this amazing club. You are the reason this club is and will continue to thrive and we can't thank you enough for your support and work behind the scenes. We can't wait for next season already.

Euro 96

Words by
John Grundy

The year football came home AGAIN

1996. Dolly The Sheep was born, Take That split up-we were all doing the Macarena- it was also the first European Championship to feature 16 teams, expanded from 8, marking a new era of continental competition. Ladies and Gentlemen-Euro 96.

Badiel and Skinner with Three Lions dominated the air waves as the nation prayed for a success at Wembley come the final at the end of June.

This was the height of Britpop; Oasis, Blur, Suede, The Verve, Pulp- then you had such varied acts as The Prodigy, The Fugees-The Spice Girls!

Being 8 turning 9 years of age I was living here in Street on Willow Road just a stones throw from The Tannery. West End Fish and chip shop, riding my bike to Jeff's (Green Lane Stores) attending Brookside school, what a time to be alive. Aston Villa actually won a trophy the league cup beating Leeds United, Street Fc were runners in the Somerset County League Division 1 and promoted to the Somerset County Premier Division. 1996 a good year for football.

Many highlights as an England fan of the tournament stick in my memory;Gazza's goal against Scotland, Stuart Pearce's penalty redemption after his miss in Italia 90,

Alan Shearer top goal scorer in the tournament.

Alas, England lost on penalties to eventual winners Germany (yes there were tears in my house) but the positive feeling of the tournament etched in the memory I'm sure for many of my age and older.

The World Cup this summer looks to be...eventful. Will Argentina win again with Messi? Will one of the big old names Germany or Brazil lift the trophy? Or will it be England- 60 years on from Bobby Moore and Geoff Hurst?

I 'Don't Look Back In Anger' on Euro 96, I look forward to the day again we as a country host a major football competition again.

What is for sure is that You can catch the World Cup games here at The Tannery, arise Sir Harry Kane- your country needs you!

The immortal
league winning
team of 2017/18

COBB

FOUNDED IN 1880, STREET F.C. IS ONE OF THE OLDEST ASSOCIATION FOOTBALL CLUBS IN SOMERSET.

Street FC were given the nickname 'The Cobblers' due to the large shoemaking industry in the village and surrounding area.

-LERS

Above
The moustache
laden Street team
of 1908

The Club won the Somerset Senior League 5 times and the Somerset FA Senior Cup 3 times before making its first foray into the Western League a few seasons before the onset of World War One. The Club also had its best FA Cup runs reaching the First Round Proper twice, once either side of World War Two; in 1938 away to Ipswich Town and 1947 at Cheltenham Town - after beating Yeovil Town 2-1 in front of a record 5,000 crowd at The Victoria Field in the previous round.

The closest the Club came to winning the Western League Championship during the 20th century was in season 1952-53 when they were pipped to the title by Barnstaple Town, who had a 0.01 better goal average after the sides had finished level on 44 points each. Season 1996-97 saw the Club win the Somerset Senior League for a record eighth time, thus gaining promotion back to the Western League after a 37-year absence.

Ten years later, after gaining promotion to the Premier Division in season 2005-06, the Club had its best run in The FA Vase when reaching the Fifth Round Proper before losing at Wimborne Town. After finishing as Premier Division Runners-up the previous season, the 2017-18 campaign was the Club's 50th in the Western League, and was a momentous one too!

Early results were inconsistent: but starting on 12th September, manager Richard Fey's charges completed a

sensational run of 26 consecutive league victories that eventually saw the team win the title by 15 points (falling just one point short of the century) after winning 32 of their 38 games and scoring 100 goals, thus earning a place in the Southern Football League for the first time in the Club's 138-year history.

However, 2018-19 was to be the only season at the higher level for the Club as it soon became clear that Southern League football was a 'step too far': and despite a respectable seventh-place finish, the decision was taken to protect the long-term future of the Club and return to the Toolstation Western League.

In 2023/24 the Victoria Sports first joined the club to make up the reserves team squad. They did well finishing in 5th, and this season James Carey has been appointed Manager to try and get the team back to Division 1 of the county league after achieving this feat with local county league side Ashcott.

The 2024/25 season saw an 8th place finish for the club ;5 points off the playoffs, and a semi final of the league cup .Lots of success for the youth team including a new girls team and our women's team finish the season really strongly.

The 2025/26 season looks very promising with some exciting new additions and majority of last seasons first team squad remaining in green and white.
